

Predators are everywhere.

Crystal Clear Rx can help.

Crystal Clear Rx focuses on helping clients, **not stockholders.**

We put our clients first meaning Crystal Clear Rx **won't overcharge you** for medications to make a profit.

We focus on enhancing member experience instead of **worthless AWP discounts** or false guarantees.

Our research and analysis are unique and **more in-depth** than any other PBM group.

Crystal Clear Rx clients and their members save 15%-40% annually on their drug spend!

Crystal Clear Rx is a full service, independent pharmacy benefit consulting firm focused on what is actually being paid by our clients and if our client is getting the best value possible from the pharmacy benefit.

Who can benefit?
